Request for Price Proposal

Cinkarna Celje, d.d. ceased the production and sales of titaniumzinc sheets, coils and zinc rolled anodes with the end of 2016. In consequence Cinkarna Celje, d.d. is effectively selling zinc rolling mill be it in its I entirety or its separate parts.

This is to present a comprehensive indication of the expected prices for key pieces of equipment, for specific segment and the entire remaining plant equipment. The rolling mill, its components and the expected selling prices are presented in the appended catalogue. All prices are indeed FCA Cinkarna Celje, d.d.

Please note that prices are informative and subject to further discussion and negotiation. The prices are not fixed and can move up or down depending on the demand. Should you need any additional information or / and would benefit from a visit and inspection of the equipment in situ, please contact the managing director Mr. Friderik Madarasi, tel. + 386 41 417 671, e-mail friderik.madarasi@cinkarna.si
