

Item 1: Depieroeux cut to length line

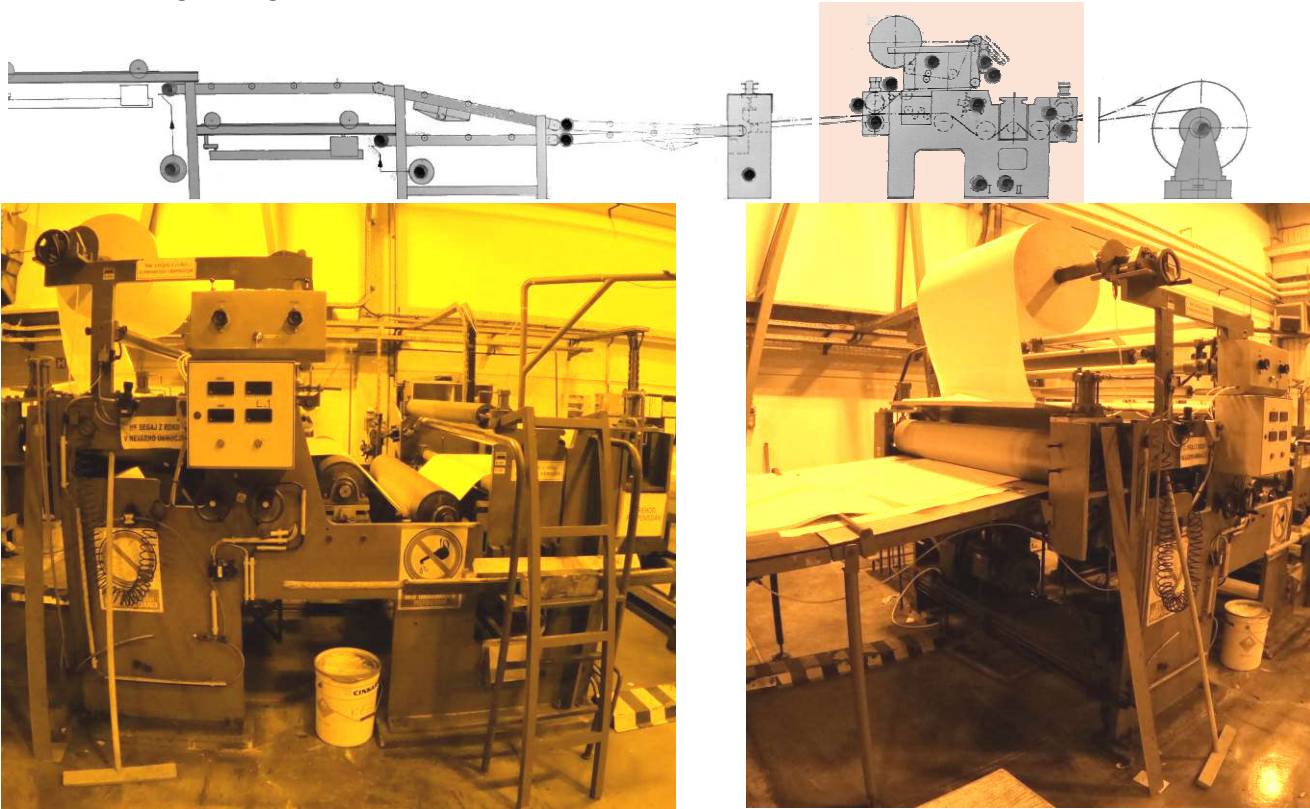

- Year of manufacture: 1989
- Start-up: 1991
 - o **Decoiler**
- max coil width: 1.500 mm
- max coil weight: 4 t
- speed: 12 m/min
 - o **Straightening drive and hydraulic shears**
- min cut length: 100 mm
- max cut length: 2.000 mm
- Additional: paper insertion for protection
- Suitable for cutting: paper, cardboard, aluminium thickness up to 0,5 mm, zinc thickness up to 0,6 mm, tinplate 0,6 mm
 - o **Sorting and transport table**
 - o **2× Stacking table: 4 t**
- line length: 20 m
- line width: 5 m

- without electronics control device
- partly operational

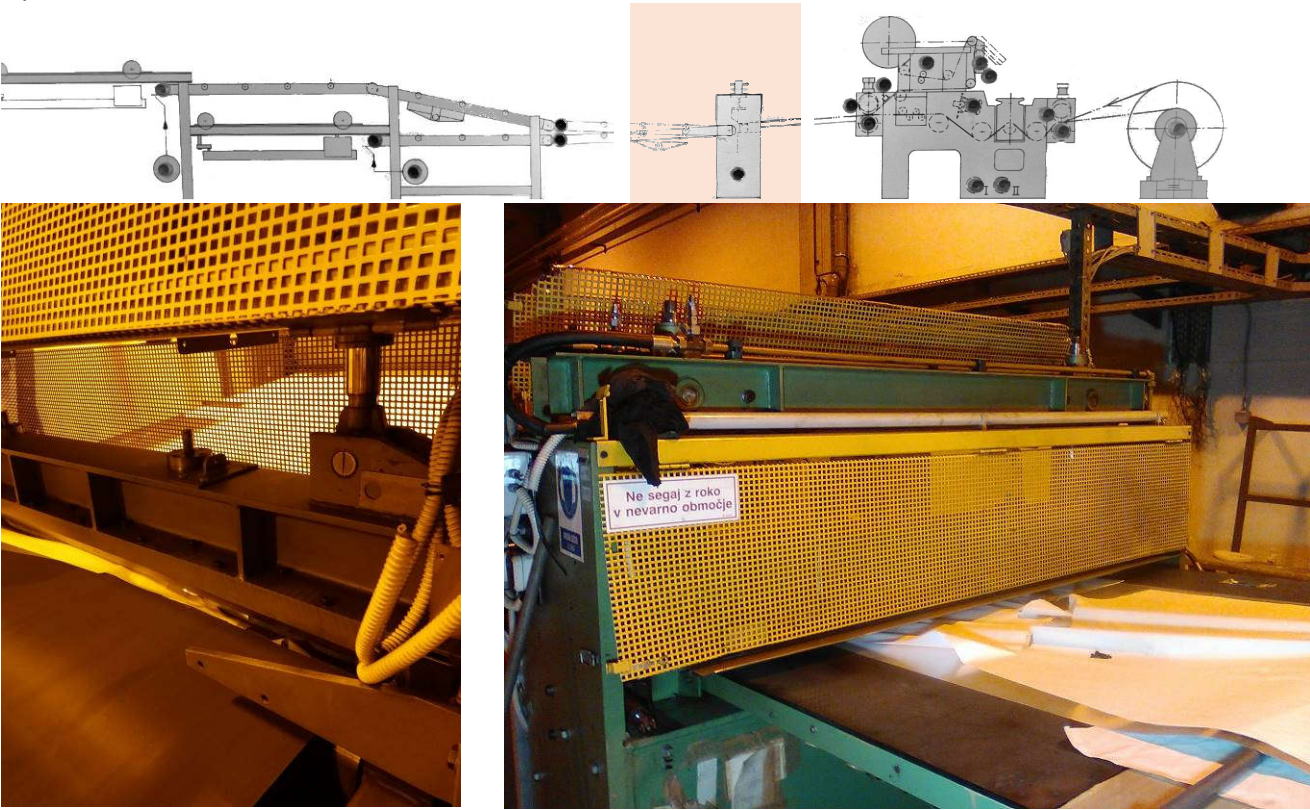

Decoiler

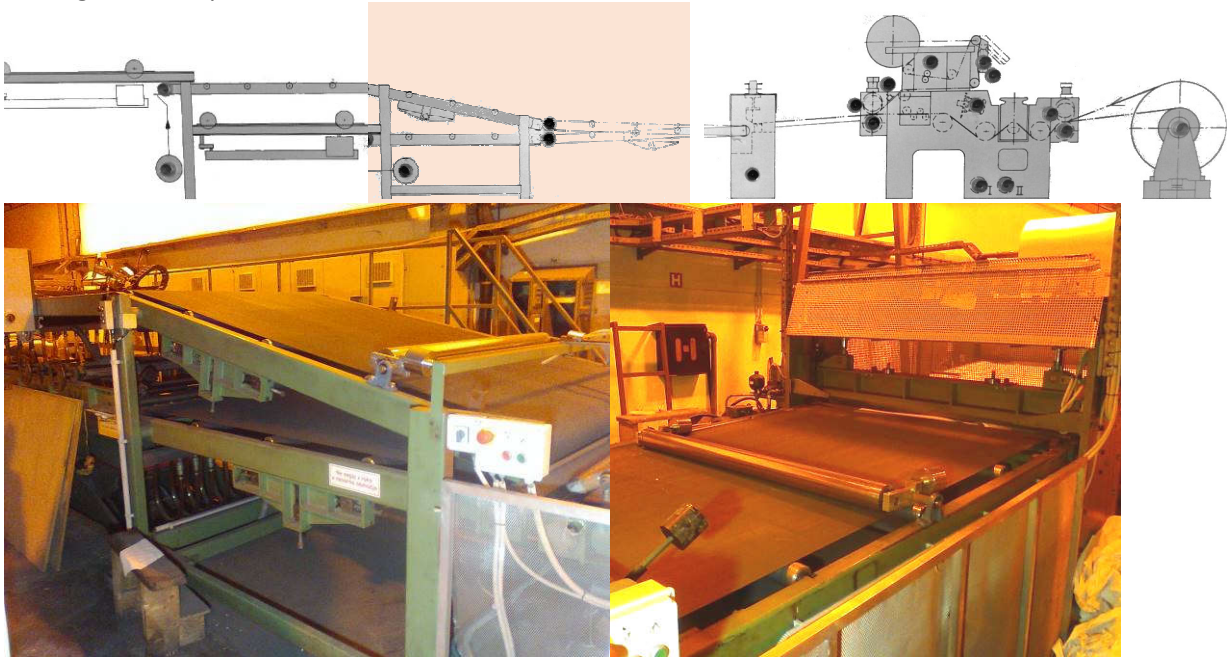

Drive and straightening

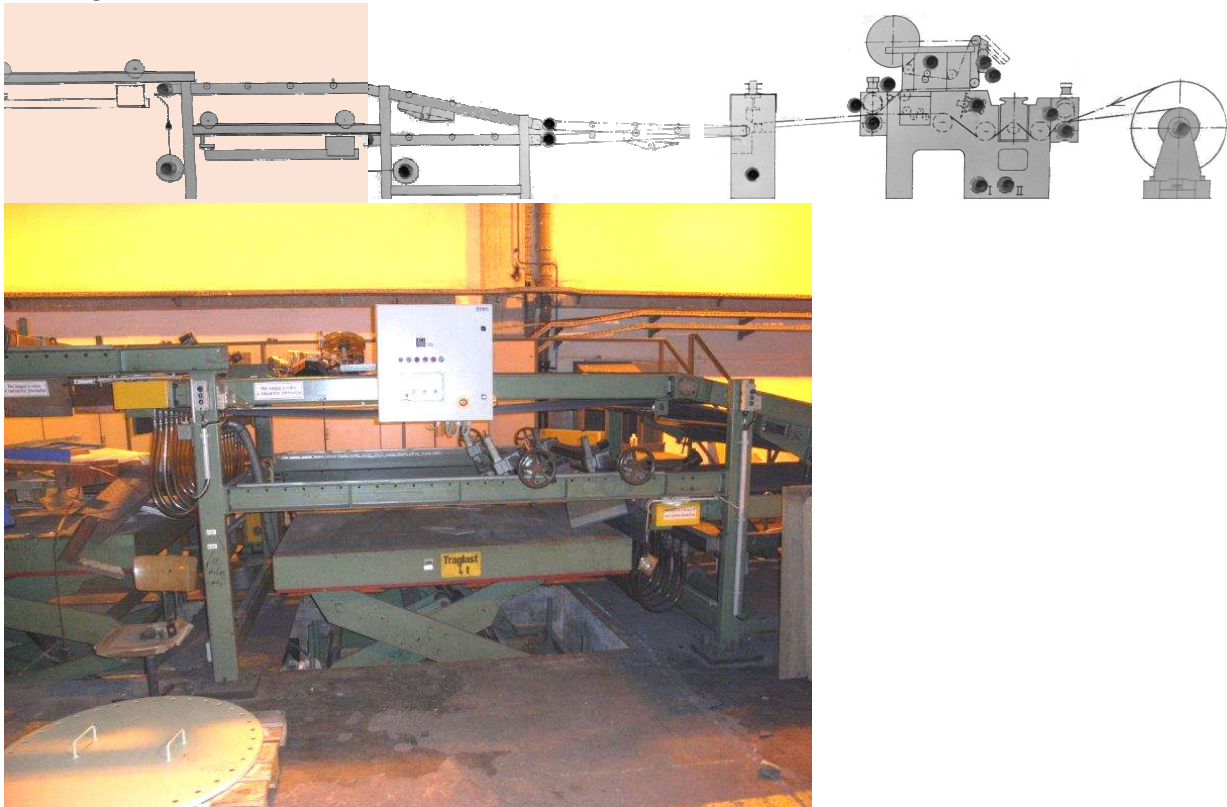

Hydraulic shears

Sorting and transport table

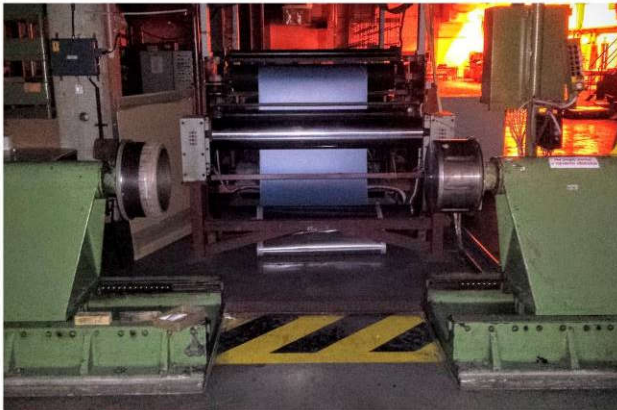

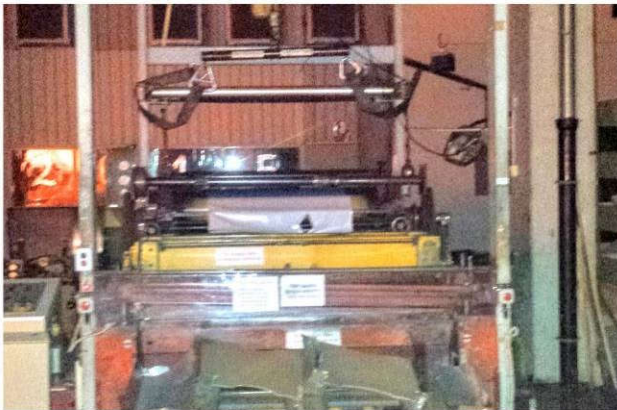

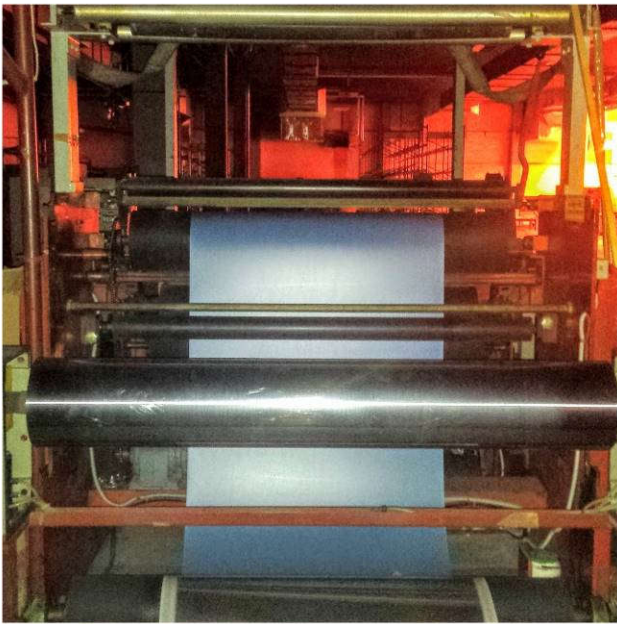

Stacking table

Item 2: Robust cut to length line

- Year of manufacture: ~1973
 - o **Decoiler**
- max coil width: 1.300 mm
- max coil weight: 4 t
- Speed: 8 m/min
 - o **Shears**
- min cut length: 10 mm
- max cut length: ∞ (manual)
- suitable for cutting: aluminium thickness up to 0,4 mm, paper

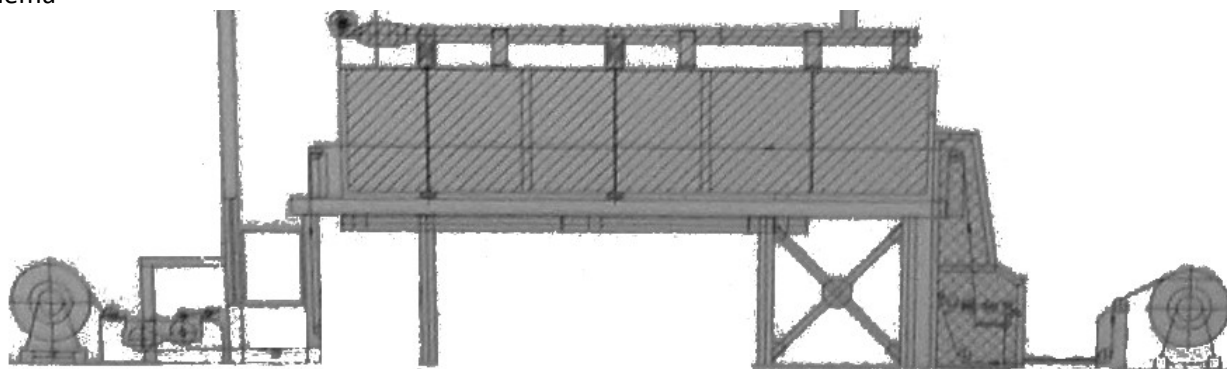

- Upgrade: paper insertion for protection
- Manual stacking
- length: cca 8 m
- width: cca 3 m
- **non-operational, broken electronic**

Item 3: Coating line

- Decoiler
- Welding
- Coating unit (solvent - electrostatic)
- Coiler
- Without Simens control panels
- length: 25 m
- width: 5 m

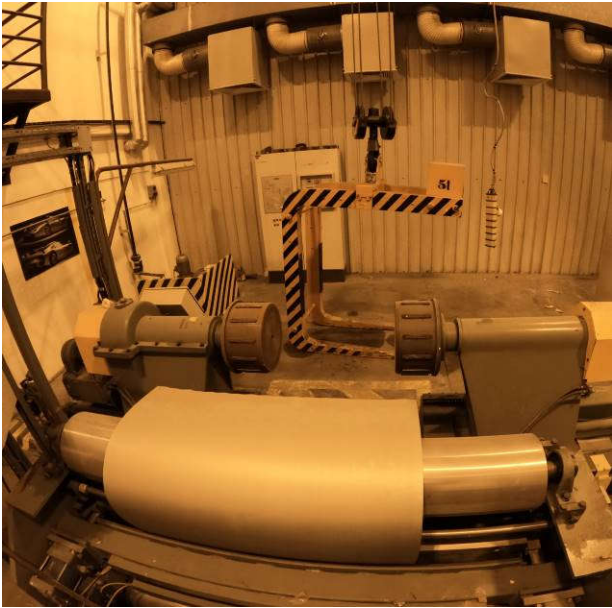

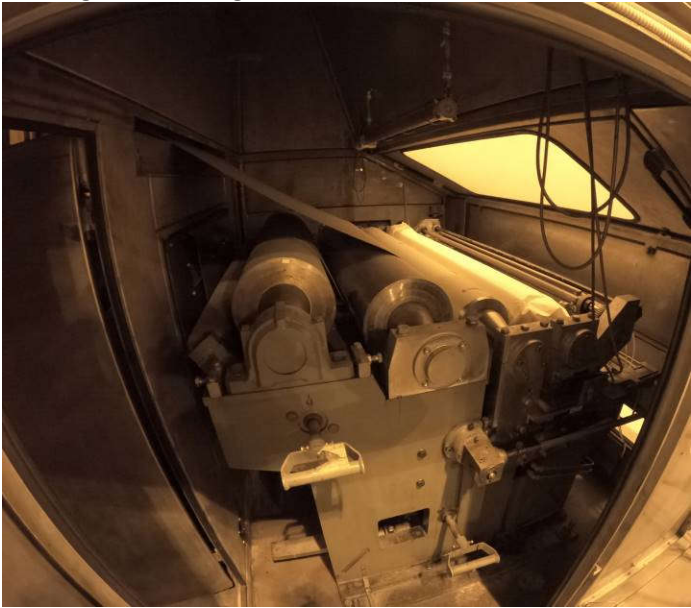

Shema

Coating line

Coating and welding

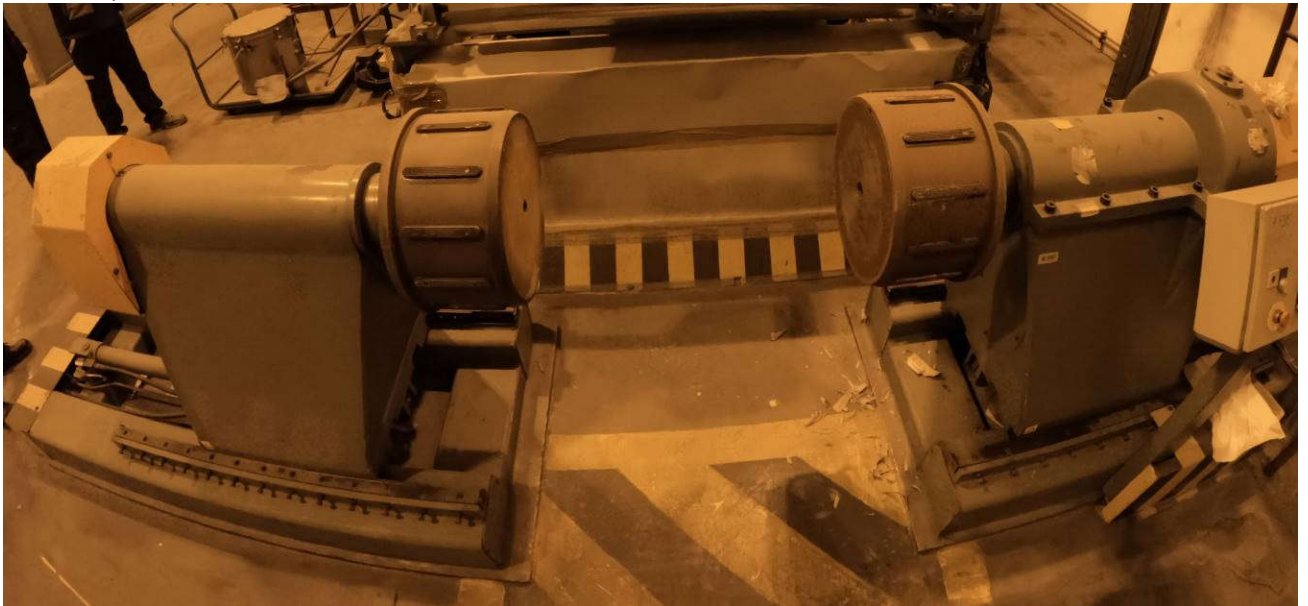

Furnace - drying

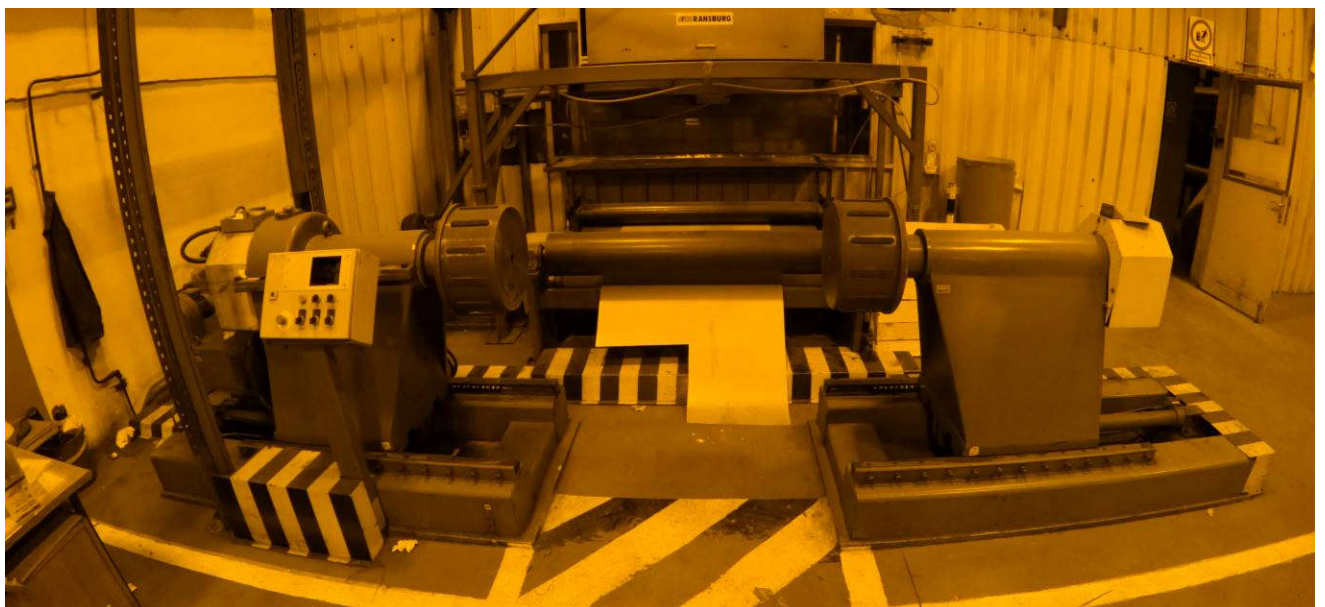

Decoiler

- max coil width: 1.500 mm
- max coil weight: 4 t
- speed: 12 m/min

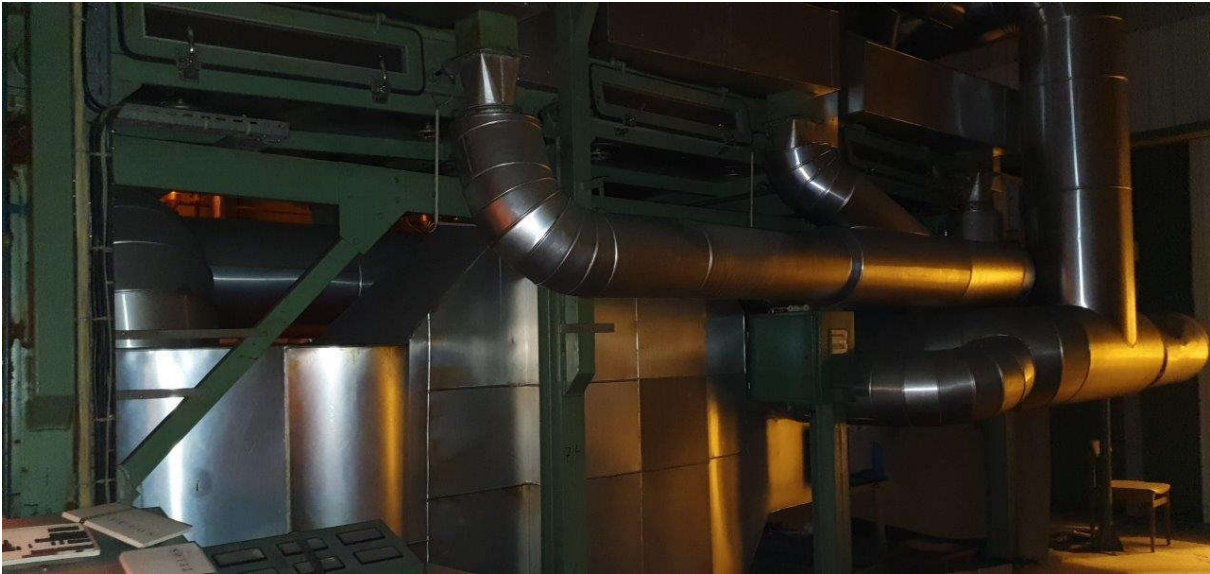

Coiler

- max coil width: 1.500 mm
- max coil weight: 4 t

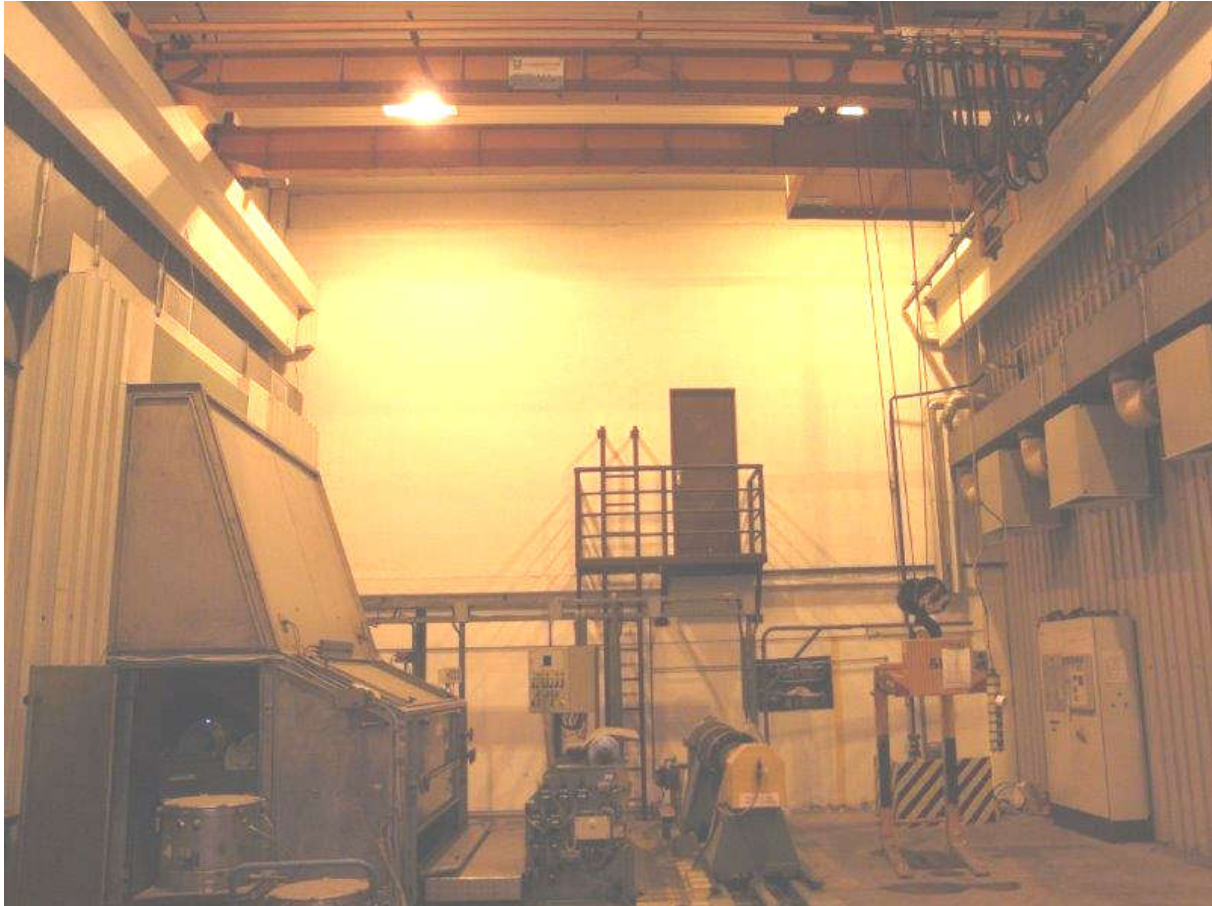

Item 4: Coating line (older)

Item 5: Bridge crane (2 pieces):

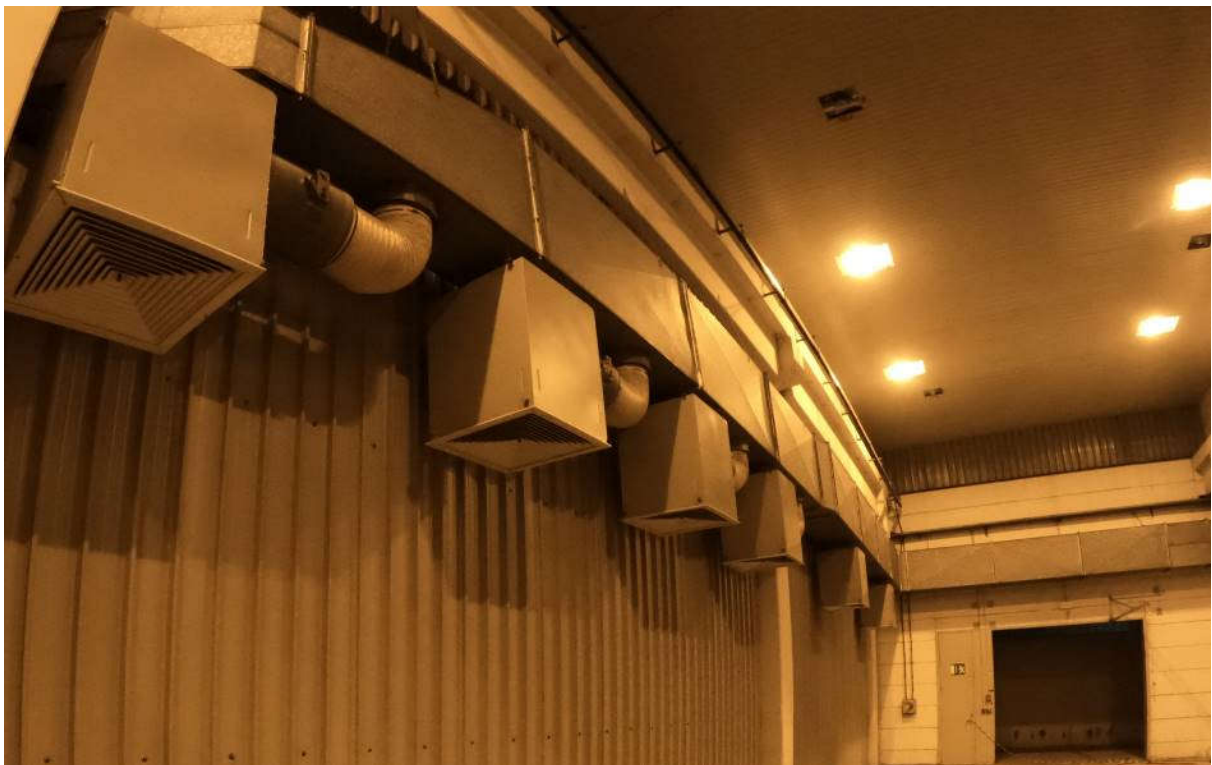

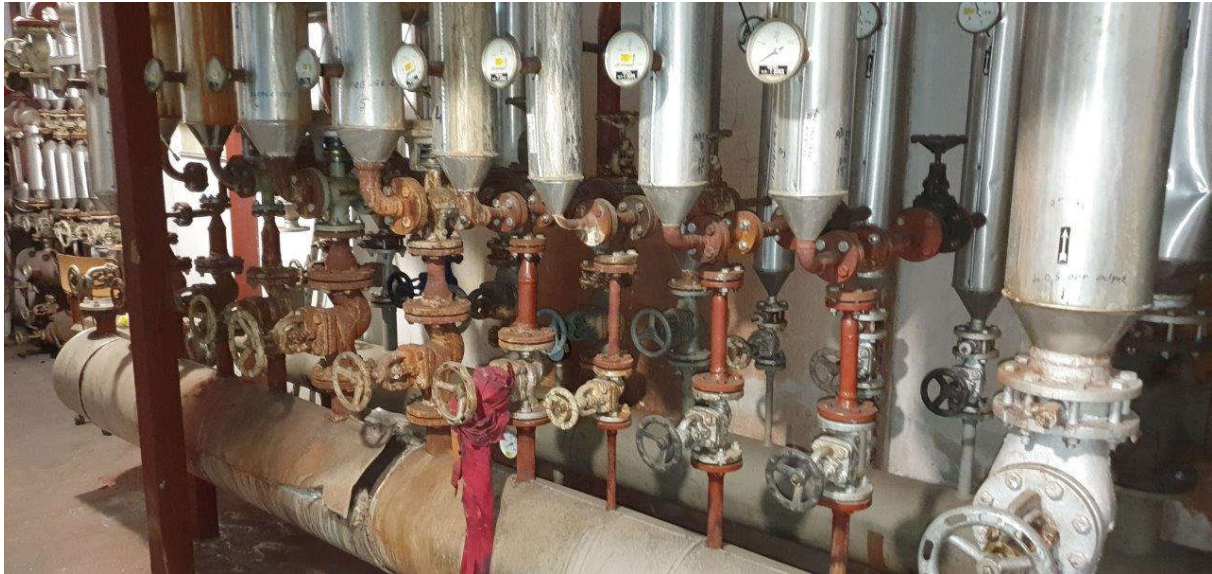

- Producer: Mostovna Ljubljana
- Load capacity: 6,3 t
- Year of manufacture: 1989
- Range: 8 m

Item 6: Air-conditioning (heating, cooling)

- Producer: Klima Celje

Item 7: Desco packaging line

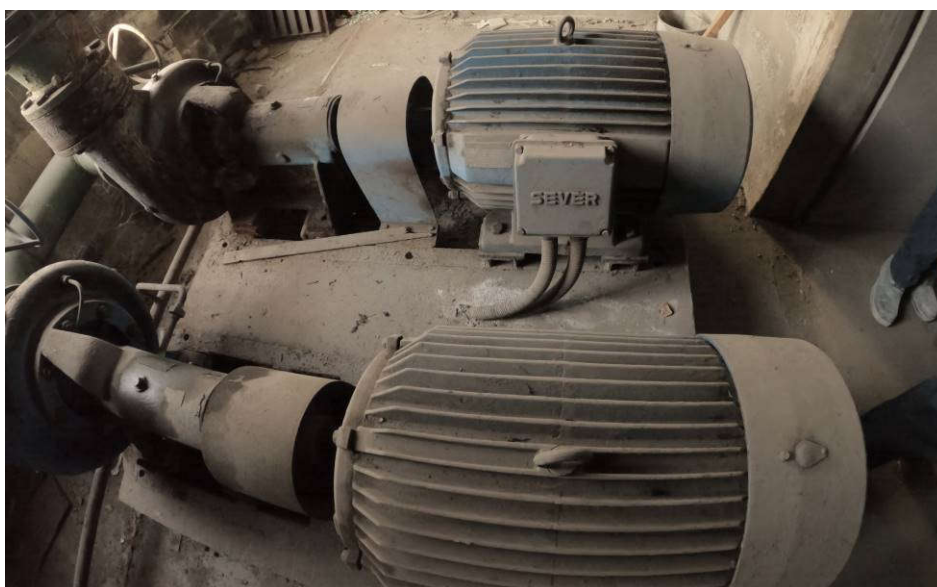

- Belt furnace
- Year of manufacture: 1998
- max oven temperature: 250 °C

Item 8: Pumps with electric motor

- Year of manufacture: 1989
- 2x 18 kW
- Jugoturbina: vel: 31,5-15, H =20m

- 2x 55 kW, 107/62 A – SEVER, Subotica
- Jugoturbina: vel: 40-15, H =40m

Item 9: Stainless steel container with electric mixer

2 pieces 50 L stainless steel container with electric mixer (»S«)

Prepared: Andraž Brečko, Peter Mravlak, Marko Vrbnjak, Ivan Povale, Klemen Vindar, Andrej Pogorelc
